BETA BULLETINS

Lightning strike! You've joined the **Galaxy Rangers** just in time to see them deliver a powerful blast of law and order in true Frontier fashion! *Niko,* the Rangers' telepath extraordinaire, calls the shots as she pilots her Galaxy Ranger Interceptor at the head of a hunter-killer squadron. Her target? Well, the pirates on the satellite base of Iona are not going to be too pleased by the whole affair when they experience some **WINGED JUSTICE,** Ranger-style! But this is just the start the Rangers' greatest adventure so far, as *Zach* makes a discovery that could alter the fortunes of *all* our heroes! Read on: the High Frontier has just got a little tougher!

Meanwhile, in the Universe next door . . . the **SILVERHAWKS** set out to save Stargazer from the clutches of the ogre you love to hate, Mon*star, and *fail!* That's right, the Silverhawks are in big trouble as they are faced with the toughest challenge of all: breaking in to Mon*star's fortress on Brim*star! Looks like things in the Limbo Galaxy are none too easy, either!
All this, plus the return of Captain Kidd, means you'll be all too ready to relax and let the staff and regulars of Duffy's Place on Stopover pander to your whims.
Or should that be *panda* . . .?

So hit the warp drive and go for main engine burn: this issue blasts off here!

GALAXY RANGERS

IONA – SINGLE MOON TO THE PLANET **K'THON** AND HAVEN FOR PIRATES RAIDING THE EMPTY ZONE SPACELANES...

YET IT'S PIRATING DAYS ARE ABOUT TO END. THAT'S BECAUSE THE TWO SQUADRONS OF **GALAXY RANGERS INTERCEPTORS** EMERGING FROM HYPERSPACE ARE ABOUT TO METE OUT A LITTLE...

WINGED JUSTICE!

THIS IS ***MAKO LEADER*** TO ALL FLIGHTS. WE'VE GOT SEVEN MINUTES TO SOFTEN UP THE PIRATE BASE BEFORE COMMANDER FOXX AND RANGER HARTFORD ARRIVE WITH THE ASSAULT FORCE.

THERE'S IONA. THE BASE IS SITUATED AT IT'S NORTH POLE. DROP TO SURFACE LEVEL TO MASK YOURSELVES FROM THE PIRATE'S WARNING SYSTEMS.

ENGAGE YOUR TERRAIN-FOLLOWING RADARS, AND SWITCH ON RAY SHIELDING, FULL FORWARD. MAKO LEADER OUT.

THIS IS IT, ***NIKO!*** YOUR FIRST COMBAT COMMAND. I THINK I'D RATHER RIDE A VENTRUX BRONTOTHERE BAREBACK!

Story **Steve White** and **Dan Abnett** Art **Kev Hopgood** and **Dave Elliott** lettering **Bambos** Colour **Euan Peters**

MAKO LEADER TO THRESHER, GOOSE, THIS IS NIKO, HOW AM I DOING?

OKAY, SO FAR. BUT IT'S ABOUT TIME YOU DID A LITTLE PSYCHIC RECONNAISSANCE FOR US.

ROGER, GOOSE. I'M ACTIVATING MY SERIES FIVE IMPLANT NOW!

THE IMPLANT'S ENERGY BOOSTED NIKO'S EXTRA-SENSORY PERCEPTIONS...

"I CAN SEE THE BASE..."

"IT'S HEAVILY DEFENDED, MOSTLY SILO-BASED MISSILES AND HEAVY WEAPON EMPLACEMENTS..."

"THE HANGAR COMPLEX AND LAUNCH SITES ARE ON THE EASTERN SIDE, WITH THE COMMAND AND CONTROL CENTRE TO THE WEST."

Hanger 7

GOOSE, TAKE *THRESHER* FLIGHT AND HIT THE COMMAND AREA!

I'LL LEAD *MAKO* FLIGHT AGAINST THE HANGARS AND ALERT FIGHTERS!

ROGER, NIKO. GOOD HUNTING!

MAKO FLIGHT, WE'RE IN THE FLAK BELTS. WATCH THOSE PLASMA CANNONS AT TEN O'CLOCK!

I'M ON THEM, GOOSE. 3 SECONDS TO WEAPON LAUNCH.

TALLY HO! MAKO FLIGHT HAS VISUAL ON THE BASE!

fa-CHOOM!

WE SURPRISED THEM! THE ALERT SHIPS AREN'T EVEN OUT OF THEIR HANGARS!

rOOOM!

MAKO LEADER, THIS IS MAKO THREE! CHECK THAT SHIP ON THE RAMP AT ONE O'CLOCK!

ROGER, I'VE GOT HIM NAILED!

MAKO LEADER TO THRESHER LEADER. HOW'S IT GOING, GOOSE?

WE'RE JUST PULLING OFF THE TARGET NOW! BE ADVISED THAT THE COMMAND CENTRE IS TOAST!

ROGER, GOOSE. GET SET UP FOR YOUR TOP COVER ORBITS, THE ASSAULT FORCE WILL BE HERE ANY SEC—

WAIT!

"PIRATE FIGHTERS AT SIX O'CLOCK!"

WHAT! ARE YOU SURE? I'M AT YOUR SIX!

NO! ALL FLIGHTS BREAK!

TARNATION! IT'S ONE OF THE MERCENARY 'FLYING CIRCUS' SQUADRONS!

THOSE CIRCUS FLYERS ARE SOME OF THE BEST FIGHTER JOCKS IN THE GALAXY, YET THIS CLOWN HASN'T SEEN ME...

VOICE ACTIVATE— SELECT—GUN—LOCK-ON—

FIRE!

KA-THOOM!

THRESHER LEADER! TWO BANDITS AT 5 O'CLOCK!

THANKS NIKO, BUT THEY'RE CLOSING TOO FAST. THEIR CONTROLS WILL BE SLUGGISH...

THEY'LL NEVER FOLLOW MY BREAK, BUT OVERSHOOT INSTEAD...

I CAN JUST PULL IN BEHIND AND...

BINGO!

NIKO! THE ASSAULT FORCE WILL BE HERE BY NOW! GET BACK AND COVER THE LANDING!

OKAY, GOOSE, BUT CALL ME IF YOU NEED HELP. MAKO LEADER OUT.

MOMENTS LATER, NIKO WAS BACK OVER THE BATTERED PIRATE BASE...

THE LANDING'S WELL IN PROGRESS. THE TROOP CARRIERS ARE DOWN, AND FIRING LOOKS SPORADIC...

MECHANISED FIGHTING VEHICLES AND STORMTROOPERS! BOY, BETA* ARE REALLY DETERMINED TO SHUT THIS BASE DOWN—PERMANENTLY!

*BUREAU OF EXTRA TERRESTRIAL AFFAIRS.

LOOKS LIKE THE BETA JAILS ARE GONNA BE PRETTY FULL TONIGHT...

OH WELL. CAN'T DO MUCH GOOD AS TOP COVER.

MAY AS WELL LAND AND SEE IF ZACH AND DOC COULD DO WITH A HAND...

HEY, TROOPER! WHERE'S COMMANDER FOXX?

SOME PIRATES ARE HOLED UP IN A COMMAND BUNKER. HE AND DOC HARTFORD WENT TO CLEAN THEM OUT. HOW ARE THINGS UPSTAIRS?

FINE...

"GOOSE HAS EVERYTHING UNDER CONTROL..."

ANOTHER FLYING CIRCUS FIGHTER - RIGHT UNDER ME!

HE'S RUNNING! HE MUST BE LOW ON FUEL...

DAMN FOOL HASN'T CHECKED HIS SIX.

LAST MISTAKE HE'LL EVER MAKE...

INSIDE THE PIRATE COMMANDER BUNKER...

HOW'S IT GOING, DOC?

OKAY, ZACHERY, 'CEPT FOR THE SCORCH MARKS ON MY NEW UNIFORM!

HOW CAN YOU WORRY ABOUT CLOTHES AT A TIME LIKE THIS?

HEY, I GOT MY REPUTATION TO UPHOLD! ANYWAY HERE'S THE CONTROL ROOM.

WANT ME TO KICK IT DOWN?

NO. I WOULDN'T WANT YOU TO GET YOUR BOOTS DIRTY...

FREEZE!

WELL! WELL! CAPTAIN KIDD! I'VE BEEN DYING TO BUST YOU FOR YEARS!

YOU CAN'T WRIGGLE OUT OF IT THIS TIME, KIDD. IT'LL BE LIFE FOR YOU!

BEFORE YOU DO ANYTHING RASH, COMMANDER FOXX, CONSIDER THIS...

...I CAN GET YOUR WIFE'S SOUL BACK!

WHAT! ALIZA? IF THIS IS SOME KIND OF SICK JOKE, KIDD, I'LL...

NO, NO! I KNOW THE LOCATION OF THE PSYCHOCRYSTAL THAT CONTAINS ALIZA'S PERSONALITY ESCENSE...

IT'S ON A SLAVER SHIP CALLED THE AMATHYST. BOUND FOR THE CROWN HOMEWORLD!

IF YOU'RE LYING...

HE'S NOT, ZACH. MY PERCEPTIONS SAY THAT, FOR ONCE, KIDD IS TELLING THE TRUTH!

OKAY, NIKO, IN THAT CASE...

...THE CAPTAIN AND I ARE GONNA TAKE A LITTLE TRIP!

WHAT DO WE DO NOW?

IT'S NOT AN OFFICIAL MISSION ZACH'S GOING OFF ON, IT'S A CRAZY *PERSONAL* QUEST. HE COULD BE COURT MARTIALED... IF HE COMES BACK AT ALL!

SAME GOES FOR US, DOC... 'CAUSE HE'S GOING TO NEED OUR HELP!

COMMANDER, WE'VE JUST HAD A REPORT THAT GOOSE HAS BEEN LISTED AS *MISSING IN ACTION!*

GOOSE! WE'VE GOT TO...

NIKO, I KNOW WHAT YOU'RE THINKING, BUT I HAVE TO ASSUME GOOSE CAN TAKE CARE OF HIMSELF. IF THERE'S ONE SMALL CHANCE OF FINDING ALIZA...

...I'VE GOT TO TAKE IT.

KIDD, WE'LL TAKE YOUR SHIP. THAT WAY, WE STAND A BETTER CHANCE OF BREACHING CROWN SECURITY.

Oh no! Why didn't I become a fuel station attendant like mother told me to....

WE CAN'T LEAVE GOOSE IN TROUBLE, DOC...

I KNOW. BUT WE CAN'T LET ZACH TAKE ON THE WHOLE CROWN EMPIRE ALONE. WE GOT TO MAKE A CHOICE...

I KNOW I'M GONNA GET MY UNIFORM DIRTY!..

SHUT UP, DOC!

NEXT: QUEEN of HEARTS!

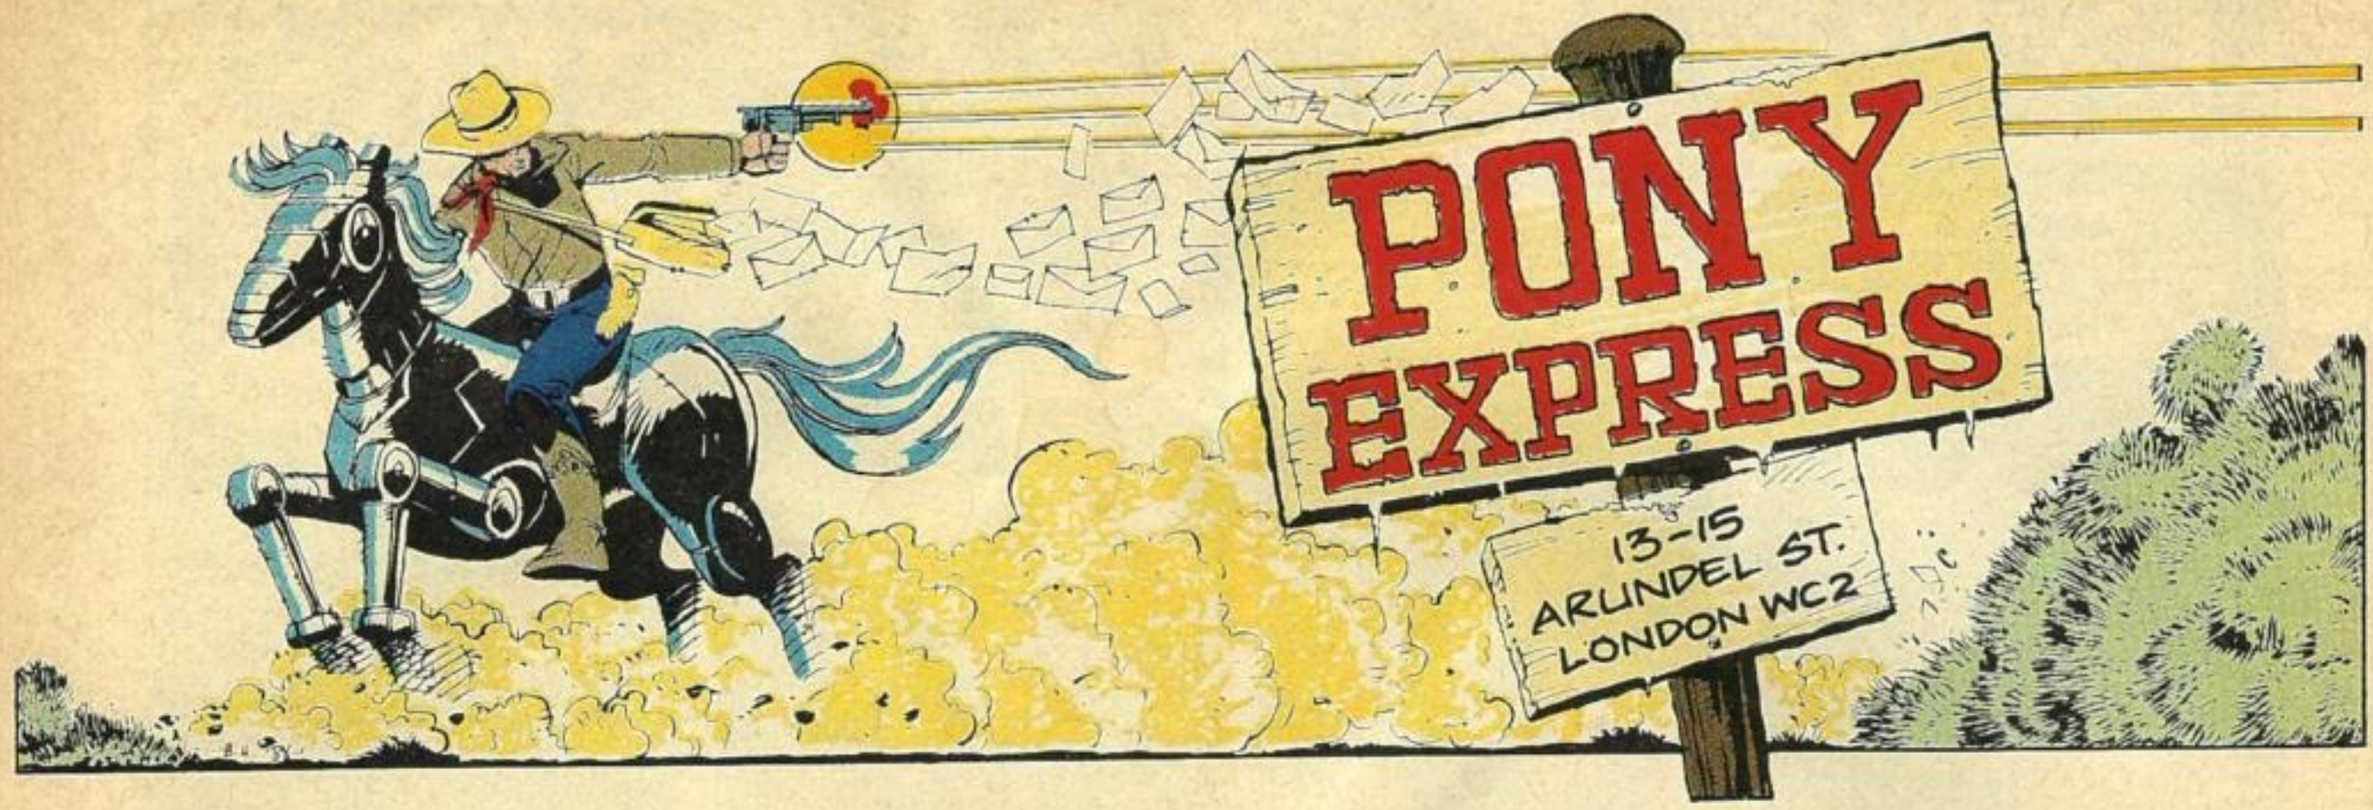
These improvements include the fitting of a new Adamite heat shield, a Martin-Bakker Zero Pressure/Zero Gravity Safety Capsule, and twin thrust tunnel maneouvering jets. 24 FULL COLOUR PAGES FORTNIGHTLY FROM MARVEL



Here are the latest selection of messages to come via **Pony Express** to Rangers HQ. Keep those Communigrams coming, folks!

Dear Goose,
I have a few questions to ask you:
1. Have the horses got weapons?
2. How come you can only use your power after you get hit, as by then you would be wounded or dead?
3. What do your guns shoot?
I hope you can answer these questions because I am a big fan of yours.
Ian Dunlop, South Humberside.

Goose answers: "Well, Ian, first off I can tell you that the Rangers' cyber-horses don't carry any weaponry as standard. We rely on our own sidearms for basic defense. They do, however, have provisions built in that will accept a range of different, side-mounted laser artillery, so in really bad situations we can bolt on a blaster or two for added firepower. The answer to your second question is that my bio-defenses can only operate when they have identified the particular threat I'm facing. That means, for example, I need to experience laser damage before I can protect myself against it. Once my defenses are working, an injury heals rapidly, but there is always a chance that the initial 'sample' will be quite enough to finish me! Just a chance I have to take! As for our guns, well we all pack a **BETA**-issue laser pistol called the *Frontiersmen model M*, which is a very reliable, accurate and high-powered friend to have. They fire needle bursts of cold laser energy in either pulses or beams, and can be varied in strength to stun or to blast. Doc and Niko also favour a bigger laser carbine called the *Peacemaker*. You will have seen Doc using one of these in the **LONE RANGER** story in issue 5. The Peacemaker is a hot-beam four-barrelled shotgun blaster: not very accurate, but with a kick like a supernova. Hope that answers your queries."

Dear Zachery,
Can you buy Zozo in the shops? I think Mel is the best Robo horse in the Galaxy, Rangers Records are good and Tall Tales from Duffy's Place is good. In a word, Galaxy Rangers is great!
Terry Starling, Bristol.

Zachery answers: "Doc'll be pleased you like Mel so much. I don't really understand why people get attached to equipment like that. Zozo tells me that his likeness is not in the shops yet, but this is only because he model makers have not yet quite captured his dazzling good looks for the toy. Whatever you say, Zozo . . .!"

Dear Niko,
Just how far can you see with your powers when you're looking for outlaws and criminals breaking the law?
Davie Cratchley, Perthshire.

Niko says: "Further than you think, Davie. Stop that at once!"

Dear Doc,
Please will you ask Duffy what Bug Juice is? I think your comic is the best.
Ashley Gibbons, Peterborough.

Doc says: "I asked him and he said 'You don't wanna know.' But he did tell me a joke to make up for it. It goes like this: A man walks into a bar. Ouch! It was an iron bar. That's a *joke*, Duffy?"

Dear Goose,
Do you like Niko?
Craig Munny, Humberside.

Goose replies: "Sure do, Craig. She shoots straighter than me."

Don't delay! Get your letters to us as soon as you can!
